Extramarital Bliss

Long before the Super Bowl, the human race had already chosen its favorite sport: a game fraught with thrills and danger, played with equal skill by men and women, and popular in every corner of the world.

The sport is called cheating on your partner, and it's one of the few activities that seems to just thrive, unaffected by economic trends, war, peace, or politics. The latest figures indicate that more Americans than ever are participating in extramarital sex. More than 40 percent of the nation's wives and 60 percent of all husbands reportedly enjoy fucking "forbidden" partners at least once.

Unlike other sports, which are governed by thick rule books filled with complicated regulations, cheating has one – and only one – simple rule: DON'T GET CAUGHT! If you do, the game's over. If you don't, then you can go on scoring for as long as you like, or until you do get caught.

While the days are gone (except in few anachronistic places like Iran) when adulterers were boiled in oil, hanged, drowned, shot, beheaded, drawn and quartered, or had their favorite organs disfigured or cut off, the dynamics at work in the cheater's quest for secrecy have always been more complex than merely the fear of death as punishment. For many, the very aura of mystery and peril surrounding a clandestine affair is an irresistible turn-on.

"The sex I enjoy with my lover is more thrilling than any I had before marriage or with my husband," says Toni, a computer programmer who's been fucking Michael, one of her coworkers, for three years. "And I admit that part of what keeps me on the brink

of orgasm all the time is the continual danger of getting caught.

"Although the back seat of Michael's car or a sleazy motel room may not be the windswept tropical beaches where I used to fantasize having midnight trysts with lovers as I was masturbating, the passionate sex we share there is every bit as exquisite as my wildest dreams.

"And while I sometimes have thought of his wife discovering me with her husband's cock

in my mouth, kissing its round head and sucking him off; or that my jealous husband might someday break down the motel room door just as Michael is thrusting his cock into my pussy and starting to come, it makes me shudder with excitement. It gives our sex a desperate, feverish kind of quality, like kids in the forbidden frenzy of banging for the first time behind the bleachers at the high school stadium.

"Of course, I'd never actually want to get caught, but pretending and fantasizing about it adds a whole new dimension to sexual pleasure."

In fact, except for situations in which one's partner is a voyeur – or the rare case when a cheater purposely sets out to flaunt his or her adulterous screwing to achieve humiliating revenge against a spouse – even people like Toni who relish the fantasy of having their illicit sexual activities discovered, in reality do everything they can to prevent it.

And there are proven ways of accomplishing this, of stacking the deck in your favor, so that the chances of being caught in the arms or legs of your lover are minimized. The game of adultery isn't child's play, or they wouldn't have called it that. Successfully getting away with extramarital sex involves making mature

judgments, some of which include timing.

Few cheaters would be foolish enough to choose a party attended by both their partners as the time to duck into a side room, strip their clothes off, and start fucking. The risk of being caught is enormous. But so is it when cheating becomes habitual and couples insist on following their pleasure schedules come hell or high water, completely disregarding changes in the danger level.

A Connecticut pair used to meet every Thursday in a Manhattan hotel for an afternoon of extramarital bed bouncing. One week, despite the fact that the woman knew her husband would be in the same hotel attending a convention, they went ahead with their usual liaison. Almost inevitably, the cuckolded husband spotted them getting off an elevator together and the affair came to an abrupt and messy end. One way to avoid this kind of disaster and greatly increase your odds of not getting caught is to forsake the practice of habitual adultery in favor of another method of playing the game – binge cheating.

Like binge eating, binge cheating means storing up your erotic appetite, then letting yourself go fuck wild when the time is right. Those longing erections and swollen clitorises developed during the period of abstinence before a binge, like highly charged batteries, can produce an incredibly delicious explosion of pleasure when your desires are finally realized.

Whether your binge-balling is an annual event, like the adulterous couples in *Same Time, Next Year*, or takes place frequently, like the amorous wanderings of a traveling salesperson, it's a matter of waiting until the most propitious time, a period when your mate is physically absent or totally occupied, to indulge yourself in the joys of cheating.

My wife is a flight attendant," says Ken, who has rekindled a relationship with one of the women he had dated before he and Lorraine got married. "The periods she's out of town vary from overnight to more than a week. Diana and I only see each other when Lorraine is on a long run, maybe ten times a year.

"In fact, that's how our affair got started. Lorraine and I had a fight just before she left for Europe on a working vacation lasting ten days. It so happened that I'd gotten a call from Diana that week, the first time I'd heard from her in years, saying she and the man she was living with had just split up.

"A few days after Lorraine left, I was still angry at her and was growing more and more lonely. Since my wife was thousands of miles away, I felt safe in calling Diana, really just looking for a sympathetic

shoulder to lean on. She came right over, then wound up spending the next week in my apartment.

"No words could really describe the fantastic sex we shared during that time. I'd been thinking about Diana all through my marriage, and whenever I remembered the great times we used to have together, I'd get a hard-on that wouldn't go down until I used it on Lorraine or jerked it off. Having Diana back in my arms after all that time was like a living fairytale.

"Did we fuck! It seemed that every time we'd look at each other, we'd want to start all over again. We'd meet after work every day and I'd sneak Diana into our apartment building, so the neighbors wouldn't see her. We'd start to have dinner, but before we were even half finished most nights, Diana would start throwing kisses to me and baring her breasts, or play-

ing footsie, knowing I couldn't resist. Rushing around the table, I'd scoop her up in my arms or throw her over my shoulder and carry her to the bed room.

"We enjoyed every imaginable pleasure that week. I humped Diana over and over from the front and from the rear, alternating who took tops. I climaxed her with cunnilingus again and again, eating out her delectable vagina more eagerly than any meal. I rocked her pussy with fruits and vibrators and even gave her an enema, something I'd never done with Lorraine.

"I don't know how much of my cum Diana actually drank that week, but it seemed like quarts. She sucked my prick off each night, then blew me again the next morning. And, like me, she also wanted to experiment with adventures she hadn't tried with her live in lover, like performing anal sex.

“I had no idea Diana’s rectum was virgin, and when she asked me whether Greeking hurt, I eagerly offered to show her, slow and easy, stuffing her beautiful pink anus a fraction of an inch at a time. We both enjoyed the sodomy so much that we added it to our nightly repertoire.

“Like all good things, though, our seven days and nights of almost non stop screwing finally had to come to an end. Diana cried about it and I was miserable. The only thing that got us through our goodbyes was the pact we made to do it again the next time Lorraine left on an extended run.

“We kept that promise and have been keeping it ever since. We’re both just too cautious to meet at other times, fearing that Lorraine might find out But we’ve both adjusted to it, spending the time between our thrilling binges of sex by planning for and day dreaming about the next one.”

Nothing gives away a cheater faster than thinking like a cheater. The feeling that somehow it “shows,” or that every little remark or gesture a spouse makes is a sure sign that he or she has caught on to your secret, can prove to be your undoing. The best rule is to relax and keep a cool head, no matter what happens.

When your mate asks, “Where were you last night?” For example, it’s no reason to break into a shivering sweat; or, like one woman did, to blurt out a confession, which came as a complete shock to her husband .

Chances are your partner is only making conversation, or seeking to satisfy a vague curiosity, and will be perfectly satisfied with “I had to work late” or “The bus broke down.” If, on the other hand, the questions indicate some suspicion on your spouse’s part, stay collected and keep your answers to a minimum. Don’t elaborate unnecessarily and never volunteer specific information if it’s not true, like “I met Bobby and had a few drinks.” The odds are good that your mate will soon run into Bobby, mention your nonexistent “meeting,” and the ball game will be over.

Besides remaining cool and tight lipped, make a special effort to be circumspect, especially about those damned “little things” that always seem to cause tragedies. Never call your lover by his or her first name, for instance. Always use a pet term like “darling,” “baby” or “angel,” so that the next time your spouse happens to take you for a hot orgasmic ride, you won’t express your appreciation by groaning out the wrong person’s name.

Benefit from the experiences of those who have learned the hard way, and keep all that sentimentality you feel toward your wonderful lover locked inside

your head - not in the glove compartment or the back of 11 dresser drawer. More affairs have been discovered by spouses coming across hidden photos, love letters, handkerchiefs, pieces of underwear, locks of hair, theater stubs or other mementos of memorable ballings than for any other reason.

The same rule applies to the erotic objects and devices you share with your lover, but not necessarily with your mate. A forgotten packet of condoms in a pocket or purse has tripped up many a cheater. If you wear some special variety of clothing for your lover• or use dildos, flavored jelly or S&M or bondage equipment, for safety’s sake it must be kept somewhere that your spouse will never discover.

Before returning home from liaison with your paramour, conduct careful self-inspection, and be

diligent about it. One man was caught dead to-right because of his lover’s lipstick - not on his mouth, neck or collar, but on his penis. As he undressed that night, his wife spotted telltale scarlet rings covering his foreskin from the ridge of his glans to his scrotum.

Probably the best way to keep from getting caught when you’re having an affair is to learn to think like your spouse, to get inside his or her head and view your own behavior from the other person’s perspective. Like playing a chess game, try to think three or four moves ahead and predict what your partner’s reactions will be if you use one excuse or another cover story.

The fictions you create to disguise your cheating will depend for success on their sensibility - an appearance of logical truth - and your own credibility.

You can enhance that credibility by creating diversions, actions aimed at throwing your spouse off the track and negating any developing suspicions.

The most effective diversion can be to occasionally change the patterns of your affair. If you and your lover use late “business meetings” as your cover, try announcing one to your spouse as usual, but then come straight home saying you decided to skip the meeting in favor of being with your partner for the evening. But never try to mask your affair by doing something special dally thoughtful or bringing your mate a gift after a tryst with your lover; that would only create suspicion.

Finally, if your spouse happens to be friends with your lover, you face a special danger and must take extra measures to ensure that you don’t get caught. To do that, you must be sensitive to how the relationships work.

The bottom line is that, on the surface, the same attitudes must prevail after an affair begins as before started. If you suddenly act nervous, or your lover starts displaying hostility, red flags will go up. You should both pretend that absolutely nothing has changed between you.

“What got me in trouble with my wife was the fact that Rita and I tried to act too innocent,” says Leon. “She and my wife, Marlene, were best friends, and before we started seeing each other on the side, Rita used to fool around and flirt with me.

“It didn’t bother my wife at all. In fact, she got a kick out of it. As soon as Rita left, Marlene would pet my hard-on and ask me how I liked Rita’s tight shirt or string bikini. I didn’t mind admitting that she turned me on and letting Marlene jerk me off or suck the erection Rita has given me.

“It took a long time and a lot of fantasizing before I finally got up the courage to make a move on Rita. On night, when Marlene was out to the store, Rita sat winking and adjusting her garters, an old trick she liked pull. I don’t know what gave me the balls to do something this time, but I knelt down in front of Rita and start fondling her legs.

“She moaned, squeezing her tits and rubbing her pussy, as I took her shoes off and kissed her nylons from the toes to the tops, licking her feet and biting her thighs. As she spread her legs wide, I buried my head in her crotch and started tonguing her cunt. Licking away at her moist twat lips, I tickled Rita’s erect clit with the tip of my tongue, until she blew off a screaming orgasm that rattled the windows.

“As I stood up, she yanked my fly down and popped my schwanz in her mouth, sucking my meat

until a full load of jism squirted into her face. From that night on, Rita and I were a pair. I spent my ‘bowling nights’ at her apartment, met her for lunch-time humps, and whenever we could, we got together for quickies.”

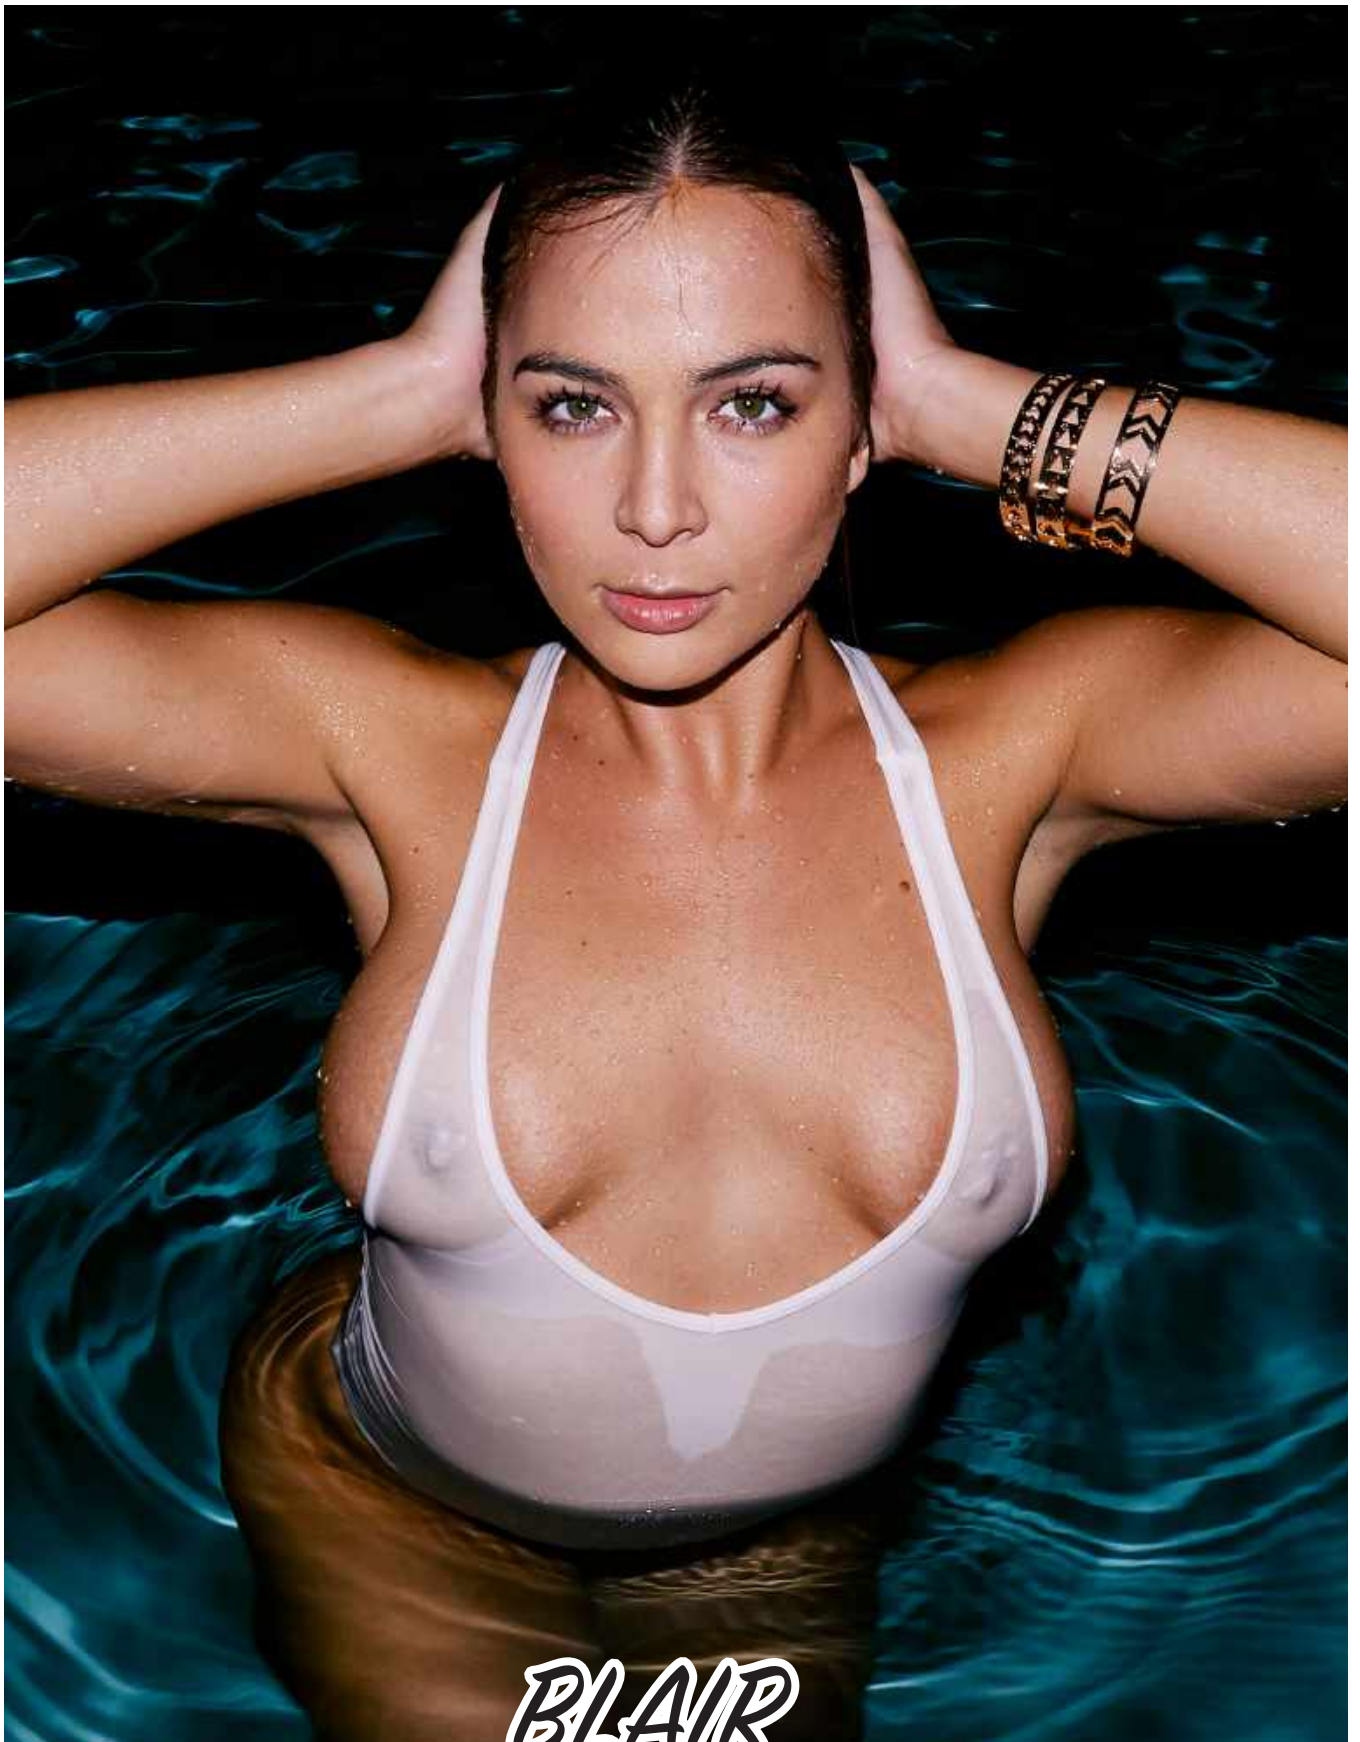

But Leon and Rita made what would prove to be a fatal error. For fear of alerting Marlene to their illicit balling, they started acting cold and indifferent toward each other when she was around.

“Rita kept her skirt down and stopped the flirting jokes,” says Leon, “and I began to claim that she really didn’t turn me on when Marlene asked, in spite of the fact that my hard-ons for her were obviously bigger than ever. That’s what tipped my wife off. She hired a detective, who caught us bare assed together on the beach.”

Like the athletes in other sports, cheaters have to stay in shape, play alertly, and above all, keep their eyes on the ball. But before you get too worried about not getting caught, are you certain that your spouse would react negatively to finding out about your adulterous affair?

Americans are the world’s champions at spectator sports, and it’s just possible that the mate you’ve been working so hard to keep secrets from would actually welcome the chance to be the audience and cheer you on. There are more voyeurs per capita in the good ole U.S.A. than anywhere else on Earth, and dropping the right hints to find out if your mate is among them could yield a surprise answer that would end your need to sneak around. Now that’s worth a try, isn’t it?

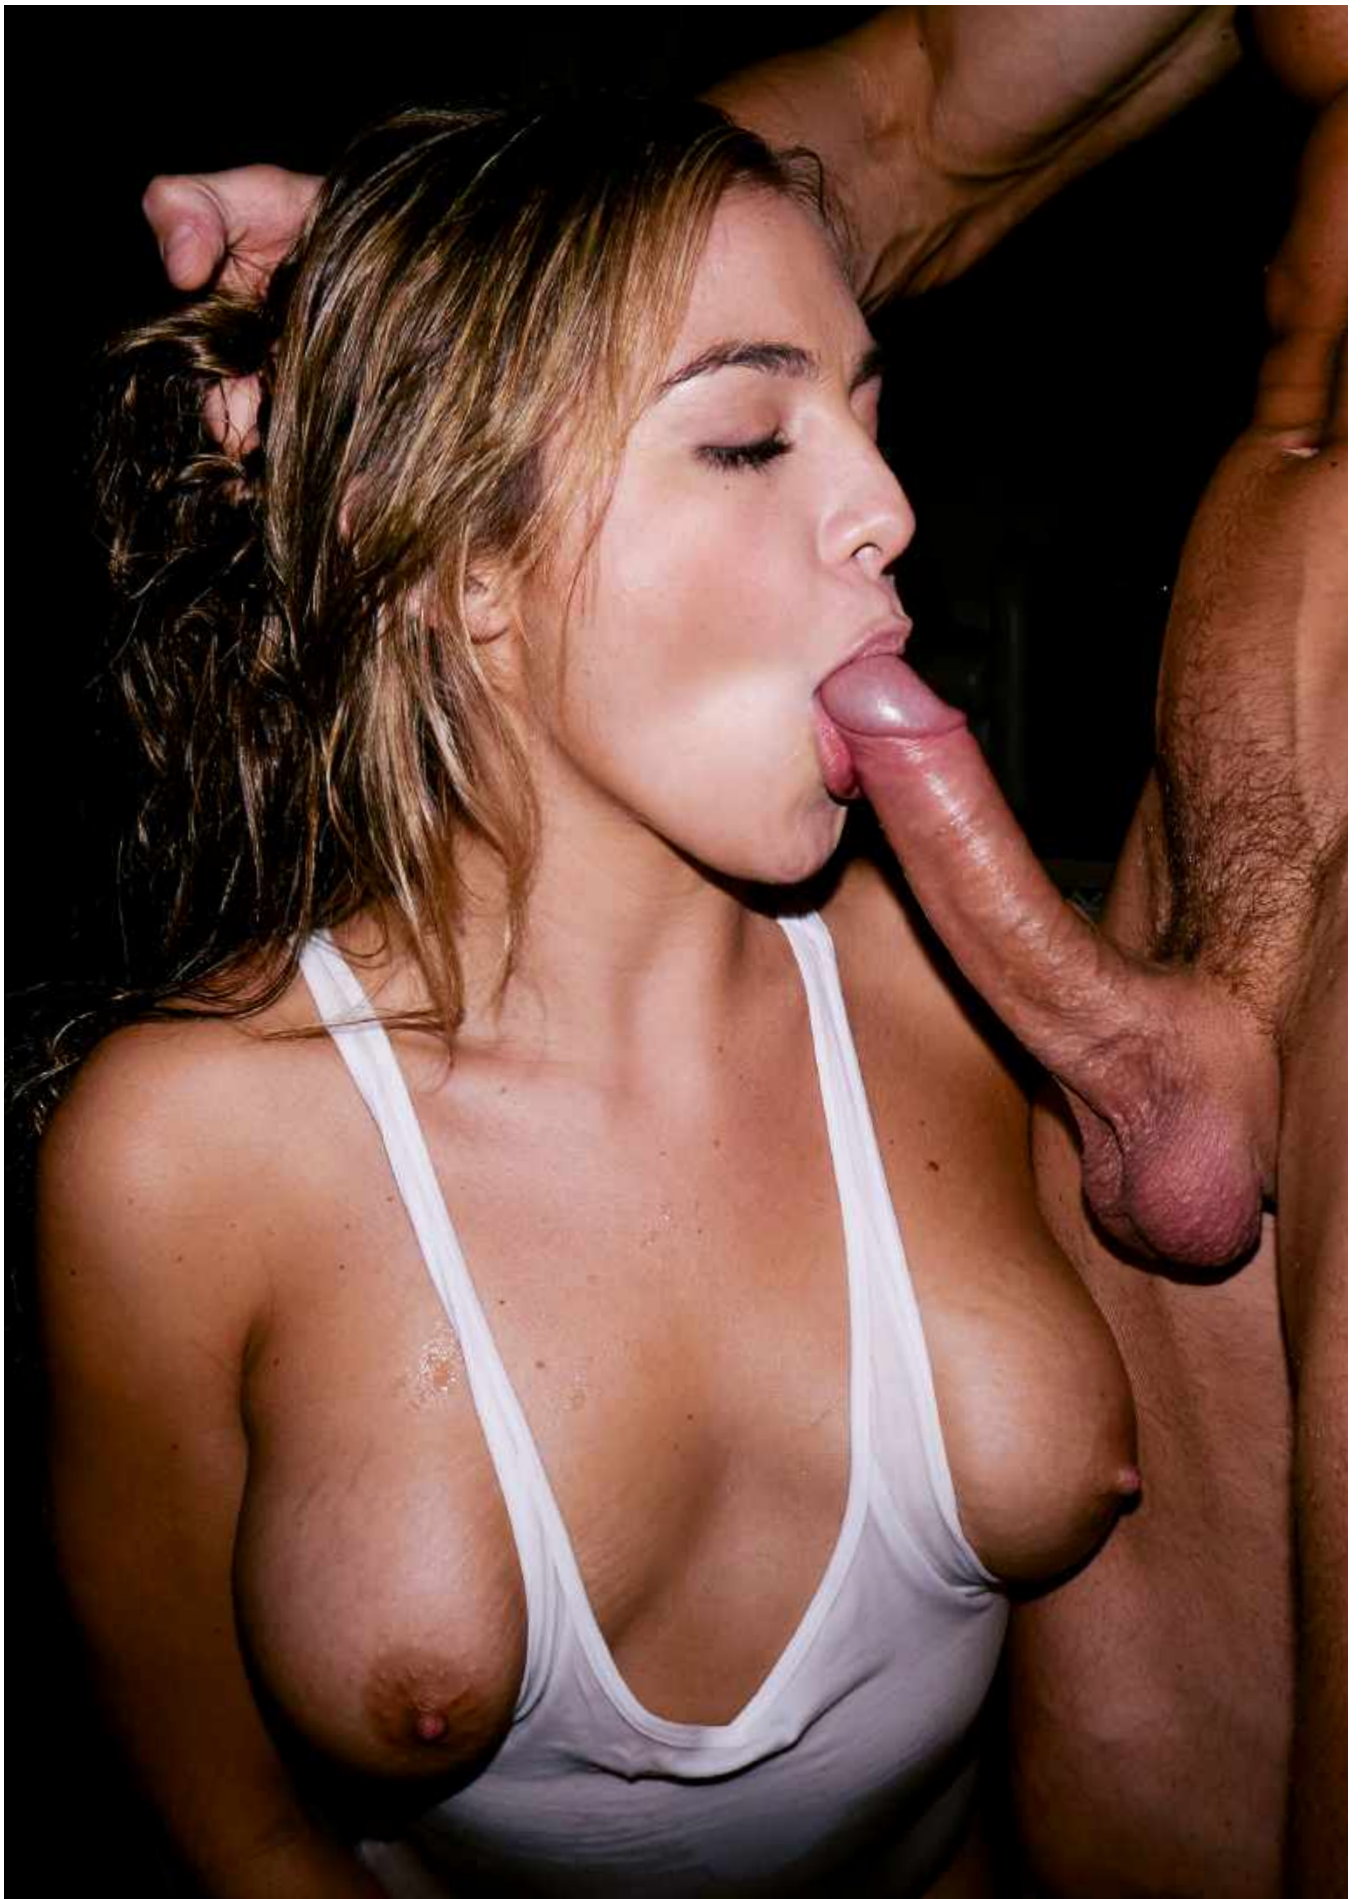

BLAIR

Blair woke up in the middle of the night and just couldn't get back to sleep. She went down to the pool to relax, and listen to the night. Her man thought the sound of her moaning would be more appealing. Blair comes out of the water to find a big, pink garden snake in her face waiting to sneak into her well. Already wet from the pool, she welcomes her companion to her moonlight escape.

NO NEED FOR IMAGINATION HERE

MOUTHS AND PUSSIES AND COCKS, OH MY!

BY THE LIGHT OF THE FIRE

Last weekend, my boyfriend surprised me by taking me up to his family's cabin in the mountains. The air was fresh and cool, and it was a nice change from the everyday for just the two of us. We hiked up to a waterfall and wandered aimlessly through the trees for hours, taking in the different colors and all the various sounds of the forest. It truly was a magical experience.

We got lost in the woods and in each other, and by the time the storm clouds came, we didn't have many places to hide. In minutes, we were soaked and racing through the woods, hoping that his memory was enough to get us back to the cabin. It took about half an hour, but we made it back, both of us drenched and freezing from the sudden

downpour. He headed for the fireplace, getting that going and filling the room with warmth and light.

After that, we stared at each other for a minute, realizing how our wet clothes were clinging to our bodies. We moved toward each other and without hesitation, I jumped into his arms, and we started making out. Quickly, he started peeling off my clothes, revealing my firm breasts, and guided us over to the rug in front of the fire.

I lay down, letting the light dance across my flesh, the warmth from my man feeling stronger even than that of the fire. He pulled off his own shirt and lay on top of me, pressing our flesh together.

His lips met mine for several long seconds before he moved down and started to slowly lick my neck and move down toward my perky nipples, sending new surges through my body.

It felt like the dampness between us rose like steam from our bodies. I could feel his hard dick pressing into me through our wet pants, and it didn't take long for us to slide out of them, and he moved to hover over my face, his thick, heavy cock sticking out in front of my hungry face. I reached up and took it, worshipping the head and slit while my fingertips started lightly brushing over his balls. My eyes drifted up to watch his face and expression as he started slowly thrusting his hips deeper into my mouth.

Despite how much I loved the feeling, I quickly gagged on his engorged meat. He left it deep inside my mouth, letting me get used to it before he started moving, each thrust heavier and harder with each motion. I felt him getting closer to the edge and pulled him out, quickly flipping him over on his back so that I could get up on his chest, my boobs dangling down over his mouth and giving him the chance

to return the favor, which he did with fervor.

One hand pinched my nipple while his mouth reached and lovingly caressed and made out with my other one. Back and forth he moved, whether it was seconds or minutes, I wasn't sure and didn't really care. I was completely in the moment, and as he slowly moved me back down his body, I leaned in and kissed him as I slid my warm, hungry pussy down on his throbbing cock.

I let out a loud moan, which was nothing to the grunt he gave feeling my warmth squeeze and release his meat. Within seconds, we were moving in sync, him thrusting himself up while I rode him, sending waves of electric pleasure through our bodies.

It didn't take long before I felt the raw pleasure of my own climax, which only made him smile as he allowed himself to release deep inside. I threw my head back, sliding

up and down and trying to squeeze out everything I could. I leaned down to make out with him as I left him inside me, feeling the strength and safety of being one.

And as he and I kissed and made out, he looked deep into my eyes and, without warning, asked me to marry him. I was surprised, but an entirely different feeling rushed through me as I answered with another kiss and started to ride him once again, feeling his dick growing inside me once again, and I didn't let him go the rest of the night.

AROUND THE CAMPFIRE

I've always loved camping, and fall is the best time of year to go. There's still the lingering summer heat, while the leaves change, and a crispness fills the mountain air that makes it

ideal campfire weather. Last year's trip is one I will always remember.

It had been a strange day, a little cooler and breezier than we'd expected during the day, with the winds dying down at night, just in time to light the campfire. My wife and I were there with another couple (we'll call them Vickie and Kyle), and after dinner, we gathered around and started telling stories of long forgotten memories.

Not long after the conversation started, it shifted and we were suddenly playing never have I ever, and after the first bottle of wine ran out, we just started to strip. We were all wearing a few layers, but after several rounds, both my wife and Kyle were down to just their underwear.

My wife snuggled in close to me, but it wasn't long before she was down to nothing at all. I held onto her to keep her warm, but I was still wearing so much that my body heat wasn't quite enough. Somehow, she found herself on Kyle's lap just as

he lost his boxers. That was when Vickie egged them on.

First, she wanted to keep the game going, deciding that my wife and Kyle would have to make out if either of them lost again. Sure enough, the very next question had them sucking face. Vickie was ecstatic, seemingly enjoying watching her husband with another woman.

For my part, I made my way around to get a better view. Before I knew it, Vickie had pulled me into a tight embrace, kissing me in a way that made sure both of our spouses saw it.

Quickly, Vickie and I stripped down the rest of the way, quickly burying me in her large, voluptuous boobs. I didn't have much time to glance back at my wife or to see what Kyle was doing with her. I was at Vickie's mercy and when she let me up for air, it was only so that she could kneel down and take my cock in her mouth.

I took a chance and glanced be-

hind me, seeing that my wife was grinding on Kyle's lap, his dick buried in her pussy. She had a thin, lithe body that did amazing things when she rode, and seeing it from this angle only made me want her again. Vickie caught my dick throbbing for my wife and reached up to turn me back towards her, swallowing my dick deeper than my wife ever could.

My eyes rolled back, and I grabbed hold of Vickie's shoulders to keep myself from falling back into the fire. She pulled my dick out of her mouth and smiled up at me.

"You like that?" she asked, and I could only respond by shoving my cock back in and starting to pound her mouth. She was up to the challenge taking me all the way in, and even managing to let her tongue flick out at my balls a couple of times.

That was it. I had to sit back down, or I was going to fall. I let her guide me back to a seat, and in the time that I closed my eyes, she'd swapped out with my wife, who was suddenly riding me and sending me into that

wild frenzy she's always able to manage.

And this time, she was more aggressive than normal. I was on edge already from Vickie's blowjob, but my wife always knew exactly how to get me to blow... or not. She kept me right on the edge, unable to explode, but not letting go either. I noticed that Vickie and Kyle were watching us, both making out with my wife above me. I was entirely dazed by everything going on, and eventually, my wife slid off and made room for Vickie's mouth once again.

I didn't have enough willpower to resist for long, and I quickly blew my load, coating the back of her throat. She milked me dry before standing up to make out with my wife, my juice an obvious show between their luscious lips.

I was dazed out from my first time swinging. But, based on the plans for this year's fall camping trip, I don't think it'll be my last.

JAYLNN

With summer ending, the number of days that you can take in the sun without your nipples getting stiff from the cold are becoming fewer and fewer. Jaylenn wanted to spend one of these days out in the garden in nothing but her underwear, but once her boyfriend got a peek, he couldn't help himself. It's normal for them to share each other's bodies and enjoy the pleasure as they make plans to go surfing at the beach.
